MIRA HAYEK

MIRA HAYEK from Beirut, is an International Woolmark Prize Nominee. Mira is inspired by geometric shapes and motifs to create her collections. She was selected by the STARCH Foundation to launch her first collection in 2011, after working at the ateliers of Elie Saab in Beirut and Erdem in London.

HØST & VÅR

Høst & Vår is a bond between two women; a mother and daughter, women at different stages in their life but with a shared vision and drive, and a connection formed of love and respect. We could say that the daughter is Spring and the mother is Autumn. In 1989 this connection was formed and it has grown from that point into a perfect partnership of understanding and a combined force of equal strength.

CLAUDIA CASTRASE

Claudia Castrase, the designer behind the homonym fashion label, considers herself a visual storyteller rather than a fashion designer. With a background in painting and visual arts, she studied fashion design at the University of Arts in Bucharest. Ever since her first collection in 2007, she mixes abstract concepts with design elements in a well-defined personal style. Her trademarks are the minimal pure lines, the perfect geometry, and the subtle timeless elegance.
